## COMPLETELY NEW WAY TO POLISH CONCRETE

## NEW LIGHT WEIGHT DIAMOND PADS DESIGNED FOR USE WITH FLOOR SANDERS

- Velcro for easy attachment / detachment, no tools required.
- 30 grit to 3000 grit.
- Simple to use and light weight.
- Great for smaller jobs or tight places where larger machines are not practical.
- Basements, second stories or anywhere you can't get a large machine.
- Get professional results with a lighter machine.
- Great for beginners or rental companies.
- Large heavy concrete polishing machines can achieve an 80° reading on a gloss meter. Wing pads can achieve this same level of shine.
- Designed for use with 17" floor sanders. 17" discs also available.
- Dry Pads Only ☆
