

DIAMOND VANTAGE[®] PROFILE WHEELS

DIAMOND VANTAGE[®]

PROFILE WHEELS

- Profile Wheels give you the ability to bullnose, bevel, or ogee any tile with your tile saw. Great for large tile jobs where finished edge tiles are not available. After finishing the edge with the profile wheel, use a hand pad (HPEL) to complete the final polish.
- Application: Marble, Ceramic, Granite, Hard Porcelain Tile
- Bevel or bull nose marble ceramic granite and porcelain tile and pavers
- Brazed and Electroplated Profile Wheels are available by special order
