

ZENESIS™ V SERIES

CORE BIT

INTRODUCING
THE NEW &
IMPROVED
ZENESIS™
PATTERNED
WET
CORE BIT

- V-notched segment design helps increase speed and initial hole coring.
- Made in the USA to withstand the toughest drilling applications
- Laser welded patterned diamond array for consistent speed and life in rugged applications
- 10mm segment height optimized with high grade diamond and concentration to core through hard applications and heavily reinforced concrete.
